**Empowering  
Allied Healthcare**

Welcome to MEDIC (Medical Education Development Institute & Clinic), a premier institution dedicated to shaping skilled healthcare professionals in G.N. Ganj, Laheria Sarai, Darbhanga, Bihar. Established in 2025, our institute is committed to delivering high-quality paramedical education, blending theoretical knowledge with practical expertise to meet the growing demands of the healthcare sector. Our mission is to empower students to become competent paramedical professionals who contribute to improving healthcare services across rural and urban India.

Located in the culturally rich city of Darbhanga, **MEDIC** provides a conducive environment for learning, supported by modern facilities and experienced faculty. We aim to bridge the gap between academic training and real-world healthcare needs, preparing graduates for rewarding careers in medical laboratories, operation theatres, and beyond.

## About Us

Managed by a Gold-Medalist XLRI MBA and an IIT graduate, MEDIC is a premier institution dedicated to shaping skilled healthcare professionals of best possible quality in G.N. Ganj, Laheria Sarai, Darbhanga, Bihar. This institute in the heart of culturally rich Mithila region is committed to deliver highest quality **allied healthcare (paramedical) education**, blending theoretical knowledge with practical expertise to meet the growing demands of the healthcare sector.

Our mission is to empower students to become competent paramedical professionals who contribute to improving healthcare services across rural and urban India. MEDIC provides a conducive environment for learning, supported by modern facilities and experienced faculty. We aim to bridge the gap between academic training and real-world healthcare needs, preparing graduates for rewarding careers in pathological and radiological labs, operation theatres, and beyond.

- **Smart Classrooms:** Air-conditioned lecture halls with audio-visual aids for interactive learning.
- **Library and Digital Resources:** A comprehensive library with books, journals, and access to online medical databases.
- **Hostel and Amenities:** On-campus accommodation for outstation students, along with a cafeteria, sports facilities, and Wi-Fi.
- **Clinical Partnerships:** Tie-ups with hospitals and diagnostic centers in Darbhanga for internships and hands-on training.

Our campus is designed to foster a professional yet supportive environment, ensuring students

## Facilities & Infrastructure

### Advanced Laboratories

Labs with modern diagnostic tools, mannequins, and surgical simulation equipment for BMLT & OTT students.

### Smart Classrooms

Air-conditioned lecture halls with audio-visual aids to make learning interactive and engaging.

### Library & Digital Resources

Access to books, journals, and medical databases — both physical and online for student research.

### Hostel & Amenities

Comfortable hostels, cafeteria, sports facilities, and Wi-Fi to support campus life for outstation students.

### Clinical Partnerships

Collaborations with hospitals and diagnostic centers in Darbhanga for internships and training.

### Student Development

Workshops, career guidance, and community health initiatives to ensure holistic student growth.

## Faculty and Career Support

Our faculty includes qualified professionals with extensive experience in paramedical sciences and healthcare. They provide personalized mentorship, ensuring students master both technical and soft skills. We maintain a low student-to-teacher ratio for better interaction and learning outcomes.

MEDIC offers placement assistance, connecting graduates with leading hospitals, diagnostic labs, and healthcare organizations across Bihar and India. Our career counseling team guides students in exploring job opportunities and further studies.

## Guaranteed Quality Education to Foster Guaranteed Placements

This institute addresses the critical need for skilled paramedical (allied healthcare) professionals in Bihar and beyond, strategically located in Darbhanga, a hub of education and heritage, making it accessible for students from across North Bihar. In accordance with our group's core values of quality at all costs, we are an accredited study centre of the UGC approved Sikkim Skill University (<https://www.ssu.ac.in/>).

Our focus is on selection of quality faculty whose experience as reputed educators and healthcare professionals ensures the best possible practical insights in the classes. We emphasize student-centric learning, offering scholarships for meritorious and economically disadvantaged students. MEDIC also fosters holistic development through workshops, community health initiatives, and career guidance to ensure graduates are well-prepared for the healthcare industry.

MEDIC offers three specialized B.Sc. programs designed to equip students with advanced skills in job-oriented highly demanded allied healthcare (paramedical) fields. These programs are structured to include theoretical classes, practical training, internships, and regular assessments to ensure job readiness and guaranteed placement. English language and communications skills in the curriculum is designed to equip our graduates with competitive advantage in the job market. More courses are planned to be added every year. A physiotherapy course with a well-equipped clinic will soon become functional.
